Announcing the launch of the Latinx/Chicanx Academic Excellence Initiative

At UC San Diego, we believe education should be accessible to all ambitious and talented students. Therefore, we are proud to announce the launch of the Latinx/Chicanx Academic Excellence Initiative, a campus-wide program designed to reflect and serve California’s fastest growing demographic. This means attracting and supporting a diverse faculty, staff and student community—making UC San Diego a place where generations rise.

Hear what our Vice Chancellor for Equity, Diversity, and Inclusion has to say about the initiative: [embed video: https://youtu.be/9woCo6YAEUE]
