College Welcome

Congratulations and welcome from the faculty, staff and students of Sixth College!

We are delighted that you will be joining us as a Sixth College student.

Sixth College draws its creative inspiration from the interdisciplinary examination of culture, art and technology. We will be providing you with the resources and skills to become an engaged and dynamic global citizen. Through the College's

To secure your orientation spot, go through the New Student Site to find the “My Orientation Session” tab.

New Student Program Registration

Sixth College holds four one-day mandatory First-Year Student Orientation sessions in September. You will register for one of these sessions. Attending the First-Year Student Orientation Program is essential to your success at UC San Diego. Do not delay in registering for a session as they will fill quickly. Prior to Orientation there is a mandatory Student Program for all incoming First Year Students. Additionally, there is a one-day, optional Parent and Family Orientation. Attendance is strongly encouraged for parents and/or guardians.

Move-In for Residential Students with Housing Contracts	Sunday, September 16, 2018
Parent and Family Orientation (optional)	Monday, September 17, 2018 (one day only, optional)
Mandatory First-Year Student Programming	Monday, September 17, 2018
Mandatory First-Year Student Orientation Sessions (choose one day)	Tuesday, September 18, 2018 (one day only) Wednesday, September 19, 2018 (one day only)

Here, you'll find important dates to keep in mind when planning your orientation day. Mandatory orientation programming is listed here; be sure to choose one orientation session to attend later that week. Keep in mind that both programs are **mandatory** and not only will help you familiarize yourself with

Sixth college and UCSD, but also allow you to meet other students.

Move-In for Residential Students with Housing Contracts	Sunday, September 16, 2018
Parent and Family Orientation (optional)	Monday, September 17, 2018 (one day only, optional)
Mandatory First-Year Student Programming	Monday, September 17, 2018
Mandatory First-Year Student Orientation Sessions (choose one day)	Tuesday, September 18, 2018 (one day only)
	Wednesday, September 19, 2018 (one day only)
	Thursday, September 20, 2018 (one day only)
	Friday, September 21, 2018 (one day only)

The mandatory First-Year Student Orientation program will provide you with an important introduction to academics and student life in your new Sixth College community. The following programs and activities are included in Orientation:

- Meet the Provost of Sixth College and learn how the theme of Sixth College will enhance your education.
- Hear from the Residential Life staff regarding policies and procedures, safety issues, staff support, and program's provided to students living on campus.
- The Sixth College Student Affairs staff will share information regarding involvement opportunities and co-curricular programs that are designed to enhance your out-of-classroom learning and connection to campus.
- Learn about graduation requirements and academic expectations from the Sixth College Academic Advising staff.
- Take a tour of campus.
- Enjoy entertainment and socialize with other Sixth College students!

Under the “important information about orientation” tab, you’ll see the orientation date options to choose from. Also know that the cost of orientation is listed here, where the price covers orientation materials and meals.

Important Information About Orientation

Please note the following:

- The First-Year Student Program and the First-Year Student Orientation session are one day programs. There are four different Orientation sessions students may choose to attend: September 18, September 19, September 20, or September 21.
- Attending the First-Year Student Program and Orientation is mandatory and essential to help you be successful at UC San Diego.
- Your student account will be billed for orientation fees by the University.
- The deadline to register for Orientation to avoid a \$25 late fee is July 15, 2018.
- Please make sure you have entered your information correctly. You will not be able to change it online after it is submitted. If you do need to make changes after submission, please contact sixthorientation@ucsd.edu or call (858) 246-1997. Please be aware that while we will do our best to accommodate requests for changes, we cannot guarantee that we will be able to fulfill these requests.

Fees and Cancellation

The College Orientation program and fee is mandatory for each incoming UCSD student. The "Program Fee" will be charged to each student's account and will appear in the Fall billing. The "Housing Fee" will appear on either the August or October billing.

The cost of the First-Year Student Orientation Session (one day) is \$175. This fee covers all orientation materials, breakfast, lunch, and dinner on your orientation day as well as the UC San Diego New Student Welcome Convocation Ceremony which takes place on Monday, September 24, 2018. An additional \$135 will be charged to students with on-campus housing, to cover the costs of lodging from Move-in Day (September 16) through the start of the housing contract, which begins September 22.

Please note that meals will only be provided during your orientation session (one day only); however, there will be a variety of dining options on campus throughout the week.

[Previous](#) [Next](#)

For those who will live on campus, an additional cost will be charged for the costs of days between Move-In Day and the start date of the housing contract.

Before we move forward, **REMEMBER**: the deadline to register for Orientation to avoid a \$25 late fee is found here – and you can see where I just highlighted.

Also, next in this section, be sure to add your parent and/or guardian's information on the Parent and Family Orientation section in order to invite them to register. This will be the only opportunity to do so.

- Large print

invite your parent/guardian by following the instructions below.

Step 1

Provide at least one parent/family member's email address where the invitation to Parent and Family Orientation will be sent*.

Step 2

Your parent/family member can access the webpage to register for Parent and Family Orientation using the link found in the email invitation.

Step 3

Your parent/family member will receive an email confirmation once they have completed online registration and submitted payment

**If you are not inviting anyone to register for a Parent and Family Orientation program, you may enter your own email address below*

Do not skip this step. This is your **only** opportunity to invite your parent/family member to attend a Parent and Family Orientation program.

Parent/Family Member Name (required)

Tracy Cruz

Parent/Family Member Email (required)

tlcruz@ucsd.edu

Parent/Family Member Name (optional)

Enter Name

Parent/Family Member Email (optional)

Enter Email

How many family members do you expect to attend?

1

After you “save registration,” make sure that everything looks good and once you confirm that all your information is correct; congrats! You’ve secured your orientation spot!

Additional Comments

Another important requirement to complete on the new Student site is the “My Academic Information” tab. It is essential to complete this portion so that Sixth College academic advisors can use this information to help them recommend your Fall class schedule.

- Welcome
- First Year Experience
- My Orientation Session
- Parent Information
- Placement and Testing Information
- Graduation Requirements
- My Academic Information**

- Time Commitment Questionnaire

Overview

In the My Academic Background tab you will submit information that will be used by your Sixth College Academic Advisor to give you on-campus resource information as well as recommend your Fall course schedule to you.

Please make sure to have all your SAT, AP/IB scores, and academic transcripts ready as you will need these to complete this section. Once you have submitted your academic history, you will need to confirm your academic information.

[Previous](#) [Next](#)

In order to make this process go smoothly, be sure to have your academic information readily available so you can input it onto the site. Be sure to have: (1) your SAT scores, (2) AP/IB scores, and academic transcripts. So, let’s get started. First, be sure to fill out the time commitment questionnaire.

Time Commitment Questionnaire

TRAN_AFTER_SURVEY

Thank you for taking this short survey. Your answers will help us send identify on campus resources that you should know about and access.

Previous Next

And next, we can actually fill out your academic background.

Fill out your declared major and if you consider switching your major, it'll give you information on if the major is capped or not. So for this example, you see that the bio-engineering major is capped, and they'll give you more information to figure out how to switch your major from there.

Also, another important thing about filling out your academic information, is filling out your AP and IB tests. So, for example, if you knew that you took AP Calculus AB, and that your official score is 5, everything will be good to go. However, for example, if you took AP Chemistry and you're not really sure about your score, you can say "official score unknown, expected score is 4." Although you don't know your official score, this will still help academic advisors help plan for your classes in the fall quarter.

Online Advising

Major Information	
Declared major	Biology
Proposed major	General Biology
Pre-medical, dental, or pharmacy	Yes, considering it

AP/IB Tests	
You self-reported the following test scores:	
Test	Score
AP Calculus AB	Official score unknown, expected score is 4
AP Chemistry	5-Official Score

Transfer Courses					
You self-reported the following transfer courses:					
Department	Course #	Course Title	Units	Term	School Name
biobioakjdfs	150	calculus	12	FA18	asdasa
asd	asd	asda	asd	asd	asd

Next, if you've taken transfer courses at a community college, I'll work you through inputting transfer course information. Say that you took a calculus course at a community college. For this example we will use San Diego Mesa Community College, where we put the department as "math," the course as "150." Also we put the course title, the number of units and the term. And so here is an example you can use when inputting your own transfer course information.

Next, you may fill out the next section if you've completed *Advanced Tests*, also known as "A-levels." And if you have additional comments, be sure to fill them out below. After you've looked at everything you can save your academic background. After you confirm everything; congrats! You finished filling out your academic information. The next step will be to wait for your Fall quarter recommendations. Thanks for listening!
