UPPER DIVISION REQUIREMENTS (2 Courses)

- Experiential Learning Requirement (4 units)**

Sixth College Experiential Learning is an upper-division, four-unit general education requirement that embodies the college's commitment to active, hands-on experiential learning. Students enroll in courses that have an experiential component to the curriculum such as an internship, research project, or global experience in order to develop both their academic and professional skills. It is an opportunity for students to integrate theory and practice by making connections between classroom learning and real-world experiences, both locally and abroad. Some Experiential Learning options require students to submit a proposal the quarter before they begin their project. Visit sixth.ucsd.edu/elr/index.html for more information.

- CAT 125/125R: Public Rhetoric and Practical Communication (4 units)**

CAT 125 is an upper-division composition course in public rhetoric and practical communication, including oral presentation, academic writing in print formats, and digital content-creation. Visit sixth.ucsd.edu/cat/courses/index.html for more information.
