Hi there! I am a second year from Sixth College! This is my first year as a Peer Advisor and I am so excited to see what 2024 brings.

About Me

- **Favorite Place on Campus:** Sixth College Balconies
- **How I De-stress:** I try to make my space feel less harsh by dimming lights, lowering the volume, and practicing a slow, mindful hobby like crocheting.
- **Hometown:** San Diego!
- **Favorite Dining Hall Food:** Makai
- **Fun Fact:** I coach high-school track in the spring!
- **One Mindful Tip:** If there is a club, program, or hobby that you're even slightly interested in, give it a chance, and see what you learn about yourself.
