**Sixth College Practicum
Special Studies Course Contract**

This contract is intended for students who wish to fulfill their Practicum requirement through a special studies course (198 or 199). In order for the proposed class to be approved for Practicum fulfillment, both student and faculty mentor are required to sign this contract, confirming that they have reviewed the [Sixth College Practicum requirements](#) and agree to the following. Student must upload this signed contract when submitting their online [Practicum proposal](#) form.

- Student and faculty mentor will meet at least five times throughout the quarter to discuss the student’s work and provide feedback/guidance.
- Student will spend at least five hours a week participating in [experiential learning](#) as part of their course responsibilities.
- Faculty mentor will facilitate student reflection and/or critical analysis of the work being done either through written assignments or discussion.
- The course will culminate in a final project such as a paper, presentation, or performance.
