UPPER DIVISION REQUIREMENTS (2 courses)

Practicum Course/Project (4 units)

The Sixth College Practicum is an upper-division, four-unit general education requirement that embodies the college’s commitment to active, hands-on experiential learning. Students enroll in courses that have a service-learning or community-based component to the curriculum such as an internship, research project, or study abroad program in order to develop both their academic and professional skills. It is an opportunity for students to integrate theory and practice by making connections between classroom learning and community experiences, both locally and abroad. Many Practicum options require students to submit a proposal the quarter before they begin their Practicum project. Visit http://sixth.ucsd.edu/practicum/index.html for more information.

CAT 125/125R: Public Rhetoric and Practical Communication (4 units)

CAT 125 is an upper-division composition course in public rhetoric and practical communication, including oral presentation, academic writing in print formats, and digital content-creation. Visit http://sixth.ucsd.edu/cat/courses/index.html for more information

Courses offered by the major department can overlap with General Education requirements.
