# SIXTH COLLEGE

## CELEBRATING 20 YEARS

### UC SAN DIEGO

## Sixth College History and Philosophy

Established in fall 2002, this year Sixth College celebrated 20 years of forward-thinking work in its new home at the North Torrey Pines Living Learning Neighborhood. Sixth College is the first undergraduate college at UC San Diego to emphasize experiential learning and to examine culture, community and communication through the intersection of art and technology. The college's motto of "Innovative, Interconnected, Aware" is realized through multimodal and interdisciplinary approaches to instill curiosity, ethical inquiry and intellectual flexibility. The Sixth College community is committed to critically examining and acting upon our social responsibility with rapidly evolving technology.

Sixth College students acquire the interpersonal skills, technical know-how, self-knowledge and cultural awareness needed to thrive and be effective in meeting evolving global challenges.

# Candidates for the Degree of Bachelor of Arts and Bachelor of Science

*\*Phi Beta Kappa member or invited to membership  
+Potential University Honors for 2022-23, determined by graded units and grade-point average at the time of filing. Final honors will be awarded on the basis of all completed courses and grades.*

*Final degree will be awarded on the basis of all completed coursework and requirements. This program does not serve as a document of record or as proof of graduation.*
